

10" TRUE BLUE® Magnetic Torpedo with Dual Vari-Pitch

The Empire em75.10 True Blue heavy duty torpedo levels features a tough all metal frame to stand up to tough jobsite conditions. High strength rare earth magnets deliver a strong hold to metal materials. The em75.10 also features a top ruler and pipe groove that is compatible with any straight edge to extend the working surface for measuring and scribing, while surface grip provides stability against any material. e-Band vials highlight the meniscus of the bubble to provide a clear reading at plumb and 45°, while Empire's Dual-Pitch(tm) vial can read slope at 1/8 in. and 1/4 in. increments in either direction. The em75.10 Empire Level in Mukwonago, WI and backed by a Limited Lifetime Warranty.
