

## Medium-to-Heavy Duty Splash Protection Coat Aprons with greater body coverage

- These coat aprons feature 6mil die cut with elastic cuffs for greater body coverage in a comfortable to wear weight
- Four 15 inch snap on ties provide a convenient and consistent fit on all sizes and styles
- No exposed elastic or metal parts to cause static or corrosion and no sewn seams that can trap contaminants
- Can be cleaned to Class 100 clean room standards
- Individually bagged

### Industries

- Chemical processing
- Food processing
- Janitorial/Sanitation
- Medical laboratories
- Pharmaceutical
- Research laboratories

### Applications

- Chemical processing
- Food processing and handling
- Laboratories
- Medical
- Pharmaceutical

### Key Features

#### Reliable Protection

- Wherever oil, grease and chemicals are present, Ansell coat aprons help workers keep clean and protected.
- These aprons come with no exposed elastic or metal parts to cause static or corrosion and offer excellent protection where splashes from acids and caustic bases are a concern.

#### Durable

- The virgin vinyl construction contains no reprocessed materials and is flexible with excellent resistance to punctures, abrasion, chemicals, fats, oils and greases.
- Sleeves come with elasticized cuffs for added protection.
- Snaps are plastic construction and there are no metal parts to cause static or corrosion.

#### Comfort and Selection

- Four sizes with adjustable ties ensure optimal fit for a wide range of users.

56-903
