CHANNELLOCK[®] INFO

What are CHANNELLOCK[®] tools?

- **Reputable high end tools – trusted by professional plumbers, electricians, mechanics, and more. Not your average department store tools.**
- **Best known for its Tongue and Groove Pliers. These pliers set the standard for the industry. Think Kleenex for tissues or Band-Aid for bandages!**
- **Their popular products include high-quality pliers – tongue and groove, cutting, linemen's, long nose, slip joint, and more. Channellock's line also carries other assorted hand tools.**
- **Serious tools for anyone that believes in reliability and performance.**

Why custom engraved CHANNELLOCK[®] tools?

- **Custom engraved Channellock[®] tools help emphasize the special bond between tradesmen and their tools.**
- **Custom engraving minimizes tool theft, increases on the job safety awareness, and employee and company recognition.**
- **Create functional Service, Safety, and Anniversary awards and gifts.**

Why CHANNELLOCK[®] tools are the best choice for your Promotion...

- **Co-branding with the Channellock, Inc. name will show that your Organization stands by American Made quality products.**
- **Engraved tools are a functional gift or award that will be used and won't sit on a shelf and get dusty.**
- **With their lifetime guarantee and quality craftsmanship these tools will be around a lot longer than other promotional products, such as pens that run out.**
