Help improve safety for students and motorists with 3M™ Diamond Grade™ School Bus Markings.

Give your school buses outstanding visibility with 3M™ Diamond Grade™ School Bus Markings Series 983 and 973. These bright and vivid yellow markings are FMVSS 217 and CSA D250 compliant. They feature an aggressive adhesive and are designed to last—resisting weather, dirt and aging.

Brilliant buses, day or night.

3M™ Diamond Grade™ School Bus Markings are easy to apply and designed with a pressure sensitive adhesive durable enough to last school year after school year.

Series 983

Superior polycarbonate construction gives Series 983 the durability to feature a ten-year warranty. For enhanced safety during dawn, dusk or inclement weather conditions, Series 983 is also available in fluorescent yellow.
