

GEARWRENCH®

TOOL STORAGE

GAS STRUTS

Gas struts on 42" wide chest for convenient opening and closing of lid

GearWrench® Tool Storage features professional solutions for your growing needs. All units feature a secure, durable and lasting way to protect and organize your tools. These new toolboxes offer double wall steel construction, heavy duty casters, durable easy-open ball bearing slides and a high-gloss powder coat scratch resistant finish. Choose from an assortment of colors and drawer combinations to fit your unique style! Your authorized GearWrench® distributor will help you identify which tool storage solution is best for you.

BALL BEARING SLIDES

Ball bearing slides provide for easy-open drawers with heavy loads

INDUSTRIAL STRENGTH STEEL

Double wall steel construction for a sturdy and durable frame

NON-SLIP DRAWERS

Non-slip pre-cut drawer liners for complete organization

DURABLE POWDER-COATED FINISH

Durable high-gloss powder coat scratch resistant finish

HEAVY DUTY CASTERS

Durable smooth-rolling wheels for easy transport of entire tool collection

EASY-TO-GRASP HANDLES

Extruded aluminum drawer handle trim for comfortable grip and easy-to-grasp access
