

## Lineman's Square Nose Pliers, 9-Inch

These High-Leverage, Side-Cutting Pliers feature a square nose for twisting and grabbing wires. The rivet is closer to the cutting edge for 46-Percent more cutting and gripping power than other pliers. Induction hardened cutting knives are extra durable for longer life. The exclusive handle tempering absorbs the "snap" when cutting wire. Forged from custom US-made steel for maximum durability.
