

100' Orange Braided Line Reel

The Empire® Level 100-Foot Orange Braided Line Reel is a handy tool for setting up various projects. Use the line to set up construction layouts, woodworking templates, or for checking the height of fences. The handle can be pushed into the ground as a stake, so you can use it for landscaping purposes like marking off an area to allow grass seed to grow. This Empire Level 100-foot orange braided line reel uses number 18 nylon, which is strong enough to withstand stretching and tension. The braided nylon line is robust and durable which helps to prevent fraying. Use the notch on top of this Empire Level orange braided line reel to keep the line in place for your convenience. The bright orange color is highly visible indoors and out and contrasts with the green background of grass.

INCLUDES:

[\(1\) 100' Orange Braided Line Reel \(39113N\)](#)
