DESIGNED FOR DIGITAL CONVERSION

Our new Mobile Field Office features a removable upper shelf that provides room to add up to two monitors. The unit also features an external power entry point, multiple pass-through locations for wiring, and built-in shelf positions for chargers. *(TV not included)*

DESIGNED FOR HIGH MOBILITY

Our new Mobile Field Office is sized to roll through 36" commercial doorways on Heavy Duty 6" Locking Casters. Sky-Jack Fork Retainers provide safe lifting and four corner-mounted Hoist Rings are rated for a 1500 lb. working load capacity.

EXCLUSIVE DESK ERGONOMICS

Our new desk design provides a superior, more comfortable working angle and height. It can handle size "E" prints, offers a horizontal working position, and also provides a personal, lockable security compartment.

SLIDE-OUT BOTTOM SHELF

The bottom shelf slides out for quick access, and allows for the addition of equipment from up to a 15" x 17" printer to a "pancake" compressor. *(Accessories not included)*
