

KREW'D™ SPF 50 SUNSCREEN

SPRAY, STICK AND LOTION FORMULAS AVAILABLE

The KREW'D™ SPF 50 Sunscreen provides safe and effective broad-spectrum protection from skin cancer-causing UV rays in an FDA-approved formula that applies quickly and with ease.

Available in multiple capacities and formulations to fit a variety of sun protection needs, every product in the KREW'D™ series contains a sweat and water-resistant sport formula for even coverage and better protection. It's lightweight, non-greasy, absorbs quickly and is free of paraben/phthalates and octinoxate/oxybenzone.

Features

- BROAD SPECTRUM SPF 50 COVERAGE – Safe and effective protection against harmful UVA/UVB rays
