

1" x 12-FT 2-PACK

1" x 12' Retractable Ratchet Tie Down Assembly 2-Pack

Camo Edition

Designed for ease of use, this **1" X 12-ft. Retractable Ratchet Tie Down - Camo Edition** holds a variety of items securely. Convenient to use, they can be installed quickly with no loose or tangled webbing.

Camo straps are great for securing your gear even if you're not a hunter or fisherman and they look great too! Keep a set in your car or truck and be prepared for the big haul.

The PE* coated steel S-hooks protect from marring and scratches and provide long-term corrosion resistance to the environment. The polyester webbing is perfect for the outdoors.

The retractable ratchet opens and retracts much like a tape measure, pulling out to desired length and ratchet until tight. To store, merely release the tie down assembly from the load and the webbing retracts back into the ratchet housing.

* Polyethylene: An artificial resin that is easily molded and is resistant to chemicals.
