

## 500' Orange Twisted Line Reel

The Empire Level 500-Foot Orange Twisted Line Reel is a handy tool for setting up the layout of various projects. The length of the line is ideal for construction, landscaping and gardening jobs. The handle can push into the ground like a stake, which allows you to mark off areas of grass or set parameters to let seeds grow. This Empire Level 500-foot orange twisted line reel uses number 18 nylon line, which is robust and able to handle high tension and stretching. With a balanced, twisted design, the line will also resist kinking. Use the convenient notch on top of this Empire Level nylon twisted line reel to hold the line in place. The bright orange color of the is highly visible indoors and out, which makes it useful for clearly marking off areas.
