16804	—	Hi-vis Orange

N-Ferno® 6804 Skull Cap Beanie Hat with LED Lights is a premium compression fleece beanie hat with lights that provides the perfect hands-free lighting solution for any situation. When you click the easy on/off switch hidden on the front of the skull cap hat, it powers on four LED lights, which are angled down for close-up tasks. Soft compression fleece offers a snug fit, with heat-trapping warmth. Perfect for workers outside or workers in low-light conditions, in garages, woodshops, warehouses or for doing detail work where extra light is needed.

Features

- Ultra-bright, dual-action LED lights provide up-close task lighting and distance lighting
- Up to 68-hour runtime. Powered by 4 CR2032 batteries (included and replaceable)
- Visibility of up to 72ft (22m)
- Compression fleece for softness and warmth with a form-fitting feel

Application

- Mechanics
- Detail work
- Construction
- Woodworkers
- Warehousing/distribution

DUAL-ACTION LED LIGHTS

4 LEDs provide up-close task lighting and distance lighting

SOFT COMPRESSION FLEECE

Warm and a secure fit
