

6491

REVERSIBLE THERMAL MULTI-BAND

The N-Ferno® 6491 Reversible Thermal Multi-Band offers multifunctional head, face and neck protection from cold, wind, sun, dust and debris. A reversible, dual-material design gives this multi-band two-in-one functionality and style. When worn with the soft fleece against the skin, it provides added warmth and comfort in cold temperatures. When worn with the moisture-wicking polyester against the skin, it absorbs sweat to keep the wearer dry.

Features

- MULTIPLE WAYS TO WEAR – Wide variety of style and usage configurations
- PROTECTS AGAINST COLD, WIND, SNOW, SUN & DUST – Ultimate defense from the elements
- REVERSIBLE: Double sided for two-in-one functionality and style
 - » SOFT FLEECE – Provides warmth and comfort in cold temperatures
 - » MOISTURE-WICKING POLYESTER – Absorbs sweat, wicks moisture and dries fast
- MULTIPLE COLORS & PATTERNS – Available in Hi-Vis Lime, American Flag and Light Gray Fade
- ONE SIZE FITS MOST – Polyester stretches to fit comfortably on a variety of head sizes
- MACHINE WASHABLE

Applications

- Construction
- Transportation
- Warehousing
- Weekend activities: hunting, running, cycling
