3M™ POLARIZING LIGHTS - LED SERIES

Without 3M™ Polarizing Light Filter Technology
The glare is strong and bright, makes it difficult and uncomfortable to read.

With 3M™ Polarizing Light Filter Technology
The glare is effectively reduced and reading is made more comfortable.

3M™ Polarizing Task Lights reduce glare and provide effective illumination. With high frequency ballasts and safety features, 3M™ patented Polarizing Light Filter Technology allows only comfortable light to pass through. Harmful light is recycled and converted into comfortable light, reducing the amount of glare reflected onto your reading surface.

The Super Mop is a multi-award winning mop that is well-loved by users. 2in1 - Use it either wet or dry! Effective in picking up dust, hair and fine particles. Does not scratch wood flooring, leaves no water marks and dries quickly.

2012 The Most Versatile Mop awarded by Cozy Cot
2013 SWW Domestic Diva Award
2014 SWW Domestic Diva Award

With its 45° angle mop plate, the butterfly-squeeze sponge mop fully flushes onto the surface, giving you the ultimate cleaning effectiveness. The new generation PVA allows the sponge to be softened within 1.5 minutes! Designed with side clips, you can actually use the mop dry by just attaching a piece of Scotch-Brite® dusting cloth! Refill available.

The Easy Sweeper is effective, quick and convenient! The special weave electrostatic sheets attracts and holds dust, dirt, hair inside fibers so it won't fall out once picked up! The handle is made of high quality premium steel handle that is sturdy and durable! Both wet and dry refills available!

Scotch-Brite™ disposable range of products give you more value! The disposable wet refill cleans 4X more floor area vs other branded wet wipes thus helping you save more money! Just throw the cloth away after mopping. Keep your family safe and healthy, throw out the germs and bacteria when you throw the used cloth away!

Scotch-Brite™ disposable range of products give you more value! Each dry refill 3x30s VP contains 90 sheets vs 60 sheets for other branded dry refill pack. That is a cost saving of 33%* per sheet! The electrostatic sheet attracts and holds dust, dirt, hair, and other particles. Special weave of the sheet traps dirt and dust inside the fibers so it won't fall out once picked up. Effective, convenient and quick cleaning!

The new Scotch-Brite™ Window cleaner reinvents the window cleaning process into an effective and enjoyable experience. A lightweight, adjustable handle coupled with 3 different types of heads and 10X different angles, this is indeed a multipurpose tool that you cannot do without. It helps you effortlessly access both high and low hard-to-reach places such as top and bottom of furniture, ceiling and even car roofs! Definitely a smarter and safer way to clean!
