⚠ Disclaimer: Cloth Face Masks are not as effective as surgical masks or N95 respirators, and are intended to inhibit or slow transmission by the wearer. CDC recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies) especially in areas of significant community-based transmission, see <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/cloth-face-cover.html>. Face mask is not intended for use in diagnosis of disease or other conditions or in the cure, mitigation, treatment or prevention of disease. Face Mask is not intended for medical use. Face Mask is not for protection against chemicals or other harmful substances.
