

R-299

Heavy impact protection with durable grip and cut resistance.

Impact

Cut

Abrasion Protection

Heavy duty impact technology combined with high cut resistance and the ultimate grip for harsh environments.

The Ringers 299 Heavy Duty Impact Glove includes an enhanced durable grip system on the palm and fingers, balancing excellent protection against impact hazards with extreme grip and added cut resistance for heavy duty jobs.

- Developed with Ringers' F3 Technology™ and patented TPR design for superior dexterity and comfort.
- Includes a red palm with Kevlar® stitching, extended airprene wrist closure, and high visibility for added safety and security.

Industries

- Oil and gas
- Construction
- Manufacturing
- Mining
- Industrial

Applications

- Engagement and release of drill string slips
- Chaining up pipes
- Installation and dismantling of rigs
- Preparation of site - unloading of lines and valves
- Handling iron - rigging work
- Handling of tools
- Seizing structural and body parts

R-299

Heavy impact protection with durable grip and cut resistance.
