Scotch-Brite™ Hand Pads

Cleaner
Safer
Smarter

A leader in the cleaning tools category for over 50 years

Scotch-Brite™ products offer quality, durability and performance. Through innovation and technology, 3M continues to develop efficient and cost-effective products for your cleaning needs.

In side-by-side same product comparisons, Scotch-Brite™ Hand Pads are more powerful than most competitive pads. Tests show they remove up to twice as much baked-on food from cookware and dishes.* That means less time and effort are required to complete each cleaning operation. Look to the family of Scotch-Brite™ cleaning products for the right tool for each cleaning job — from heavily soiled griddles to the most delicate surfaces.

*Based on 3M Laboratory Schiefer Cut and Food Soil Tests.
