Left Cutting

Straight Cutting

Right Cutting

14-206

- Titanium Nitride coated blades for long lasting sharpness and cutting life.
- Durable Chrome Molybdenum Alloy steel serrated blades provide for a stable bite.
- Flush hardware allows for smooth cutting and easy access – helps prevent metal catching on protruding hardware when cutting.
- Cuts 18 gauge cold rolled steel and 22 gauge stainless steel.
- Internal locking mechanism with one hand lock release.
- Oil and grease resistant grips.
- Meets/exceeds ASME specifications.
- Color coded for cutting direction.
- Limited lifetime warranty.
- Patent pending.
