

Head, Eye, Face and Hearing Protection

V-Gard® Protective Caps and Hats

Third-party certified by

SAFETY EQUIPMENT INSTITUTE

V-Gard Protective Caps and Hats from MSA consist of a polyethylene shell and suspension system working together as a protection system. V-Gard headwear features advanced styling in either cap or hat styles, with the cap available in three sizes: small (6–7 1/8), standard (6 1/2–8) and large (7–8 1/2).

V-Gard Caps and Hats meet or exceed the applicable requirements for a Type I helmet (top impact) as outlined in ANSI Z89.1-2003, Class E, and also as outlined in CSA Z94.1-2005 (Class E) with 1-Touch® and Fas-Trac® suspensions.

V-Gard Caps and Hats are not specifically designed to protect against lateral blows from the front, side, or rear. MSA's Vanguard™ II Protective Helmets are so designed and must be used if lateral protection is desired. For more information, contact your MSA distributor.

V-Gard® Protective Cap

V-Gard® Protective Hat

⚠ WARNING

Do not mix suspension and helmet sizes. Make sure the sizes match (example: standard-size suspension with standard-size helmet). Use only MSA suspensions on an MSA helmet. Failure to comply with the above will reduce the energy-absorbing ability of the protective helmet, which can result in serious injury or death.

--	----------

Note: These colors are available as special material orders with a minimum quantity of 20 helmets per order.

*CSA approved.

For V-Gard Cap and Hat Accessories, see pp. 106–109.

Many Americans are looking for a way to express our country's solidarity. For this reason, MSA has designed the **Freedom Series** of helmets. This series features a V-Gard® Cap with Fas-Trac® ratchet suspension and a patriotic design over the entire shell. See p. 110 for more information.
